Assignment:

*** HW_03 [Due: 07 Oct 2025]

--- Task 1

Select one (1) important civil law topic covered in the Código Civil Federal(e.g, marriage). From within the topic, find an Article that has been changed. Use Justia for this. For example: Artículo 148 (Para contraer matrimonio es necesario haber cumplido dieciocho años de edad) was modified on these dates:(ARTÍCULO REFORMADO D.O.F. 14 DE MARZO DE 1973, 23 DE DICIEMBRE DE 1974, 09 DE ABRIL DE 2012, 03 DE JUNIO DE 2019.

In your homework note the following:

* The Title where the civil law appears (e.g. marriage is covered by Title V),

- * The Chapters that cover the civil law (e.g. marriage proper is covered by Chapters I - IV),
- * The Articles that cover the civil law (e.g. marriage proper is covered by Articles 146 - 182),
- * A list of the dates when the law was changed, and
- * A brief summary and direct English translation of at least two (2) Articles of the law that you find interesting.

Be ready to share your findings with the class (informally). The standard format requirements apply.

---- Task 2

Investigate and evaluate the legal standing of landlords and tenants with respect to the termination of a rental agreement in the US and in Mexico. More specifically, answer the following questions:

2. When does a landlord have the right to evict a tenant in México? In the US? Are landlords granted the same rights in both countries?
3. Evaluate the legal rights in México and the US for both tenants and landlords.
