Assignment:

HW_01 [Due: 22 Jan 2026]

NB. Homework assignments this term may be done in groups of 2 or 3 persons (recommended).

--- Task 1

The first step in academic research is finding material related to your area of interest. This used to mean going to the library. Today, it's a matter of internet searching. You will research academic papers in preparation for a presentation on the Han Empire.

*Step 1

Search: "Han empire" y/o "Han dynasty" y/o "the Three Kingdoms period" in the following open-access sites:

1. Google Scholar

<https://scholar.google.com/>

2. JSTOR

<https://www.jstor.org>

3. Open-Access Journals (pick one)

a. Journal of Chinese History 中國歷史學刊

<https://www.cambridge.org/core/journals/journal-of-chinese-history/open-access>

b. The Chinese Historical Review

<https://www.tandfonline.com/journals/ytcr20>

c. USC Libraries, University of Southern California, Research Guides

Chinese Studies *: Journals

https://libguides.usc.edu/chinese_studies/journals

***Step 2**

Download one (1) academic paper that will be the foundation for your presentation. Papers will typically be in the fields of:

- Art
- Archeology
- Politics
- Philosophy
- Sociology
- History
- Other?

***Step 3**

In your homework list the citation for the paper you have selected. The citation must be in APA or MLA or Chicago style. Also, briefly describe your experience using each site.

***Step 4**

For next week, be prepared to tell the class which paper you selected and why.

--- Task 2

In the textbook, "Presentation Zen: Simple ideas on presentation design and delivery" (Reynolds, G. (2019), skim through the Introduction and read Seth Godin (p. 20) and In Sum (p. 25). Answer the following questions,

1. Do you typically use PowerPoint (or a similar software) when you are asked to give a presentation? Do you like giving presentations before groups of people?
2. What questions should you be asking about presentation design and delivery that you have not asked in the past?
3. Do you think that, in the past, you have adhered to the suggested guidelines for dynamic storytelling in presentations?
4. What aspects of the design and delivery process may have caused “suffering” for your audiences in the past?

The Reynolds textbook can be found in Teams, Class Materials
(Textbook_Reynolds_PresentationZen_NewRider.pdf)

--- Task 3

Read the First Preamble, Chapter 1, and Chapter 2 of "The Joy Luck Club" and write a single summary of the two chapters. Your summary should be ~three paragraphs long and must be translated into Spanish. Note that the reading includes the following:

First Preamble: Feathers From a Thousand LI Away

Ch. 1 o The Joy Luck Club: Jing-Mei Woo

Ch. 2 o Scar: An-Mei Hsu

NB. Marron's modified APA format applies (see Class Materials in Teams). As always, assignments must be printed (i.e., hard copy) and submitted to the instructor on the due date (unless duly noted). Students should save copies of all assignments in PDF format.
