

Final Exam

Course Title: **Inglés X**
Term: **26-1**
Instructor: **Marron**
Exam Due Date: **December 18, 2025**

General Instructions: This is a **take-home exam**. Please do your own work. Academic integrity is always your choice.

The final exam consists solely in two tasks: i) generating a professional resume/CV, and ii) writing a cover letter for a job that you are interested in. Your resume/CV should be a professional document produced with the help of an Overleaf template. That is, your resume will be built in LaTeX using the Overleaf website and downloaded as a .pdf file. It is recommended that you save a copy of the .tex file for your records. Your cover letter must be a professionally formatted document that follows the general guidelines for cover letters and is geared to a specific position at a specific organization. You may select a job post from an online job site or select a desired position from an organization that you are interested in working for. Both documents must be written in English.

Your resume/CV and cover letter are officially **DUE in hard copy format on Thursday, December 18, 2025 during your regularly scheduled class time at UTECA**. You are welcome to turn in these documents anytime before the deadline. General information to complete these two tasks is given below.
