**HW_04 Vocabulary Building
(Convert to 10 pt scale)**

Criteria	Excellent	Satisfactory	Needs Improvement
Task 1: Vocabulary Development and Translation	Provides precise English definitions and accurate Spanish translations for all 63 vocabulary words; demonstrates understanding of word meanings in context.	Provides mostly correct definitions and translations with minor errors; some words may be missing or inaccurately translated.	Definitions and translations are mostly incorrect or missing; shows lack of effort or understanding.
Document Formatting and Presentation	Fully adheres to modified APA style (single-spaced, 0.5 inch margins, 12-pt Times New Roman, double-sided printing if possible); formatting is consistent and professional; assignment saved and submitted as required.	Mostly adheres to formatting guidelines with minor errors; submission meets basic requirements but lacks polish in some areas.	Formatting guidelines are not followed; submission is incomplete or not saved/submitted as required.

Assignment:

****HW_04 [Due: 11 Feb 2026]**

--- Task 1

Provide English definitions and a Spanish word translation for all of the words in the document, Vocab_03.txt: a list of words from the middle part of Charlotte's Web.

--- Task 2

Read Chapters XII thru XVI of "Charlotte's Web." Be prepared to contribute next week to a Socratic-style seminar that focuses on these chapters. In the seminar we will

- i) analyze highlights and important events as plot elements,
- ii) analyze characters and their motivations,
- iii) evaluate the stylistic elements used by the author, and
- iv) critique the author's choices and style.

Ultimately, you will write a full critique of this novel.

--- Task 3

Study Guide for 1P exam. You should be able to:

- * Compare and contrast Spanish, English, and Chinese (briefly)
- * Evaluate the utility of reducing language into standard linguistic elements (i.e., Konrod)
- * Define Zip's Law and explain why it is useful
- * Define what generative text models are and very roughly, what they can do

- * Summarize the paper on planetary thresholds and global warming by Steffen et. al.
- * Read and evaluate new information regarding perspectives on academic writing
- * Summarize the novel, "Charlotte's Web" up through Chapter XVI in about two+ paragraphs
- * Select five (5) "science" words from Vocab_01.txt and five (5) "literature" words from Vocab_02.txt and/or Vocab_03.txt. Memorize these words and be prepared to provide English definitions and a Spanish translation on the exam
