Assignment:

*** HW_12 [Due: 11 December 2025]

<== due in two weeks; LAST ONE!

--- Task 1

Refine, revise, and finalize your LaTeX-based resume. Login to your Overleaf acct (<https://www.overleaf.com/>). After logging in you will be brought to the "All Projects" page. From here you can select the CV/resume template(s) you were working on. Open one of your "All Projects" templates in the Latex Editor. Make as many changes as possible to reflect your own CV/resume. For this assignment you DO NOT need to print a .pdf of the changes, just save the changes in Overleaf. You will submit your completed CV as part of the Final Exam.

--- Task 2

Begin looking for work and write a cover letter. Register with a few job sites and begin browsing for positions. Find a position you might be interested in and do the following:

- i) begin a job application registry document (to keep track of applications/contacts/etc) and add the job you are interested in to the list
- ii) write a cover letter for this job

In your homework simply copy the listing of the job from your job application registry document. You will submit your completed cover letter as part of the Final Exam.

--- Task 3

Read Chapters 13 through 18 of "Brave New World". After reading each chapter of the novel as required by the HW assignment, read through the Summary, Major Topics, and Comprehension Questions sections for the corresponding chapters in the document, "UTECA_StudyGuide_Brave-New-World.txt." You can find the study guide document in your Class Materials folder in Teams.

- a. Select only three (3) chapters of the HW assignment's six chapters and translate the Summaries of the three selected chapters into Spanish.
- b. Select only one (1) of the Major Themes from among the HW assignment's six chapters. Provide a short personal commentary and reflection on this Major Topic.

NB. Marron's modified APA format applies (see Class Materials in Teams). Copies must be submitted to Teams in PDF format or printed and given directly to the instructor. Students should save copies of all assignments in PDF format.
